Violin Lecturer - Online Interview Questions

Thank you for taking a moment to provide us with your concise thoughts regarding these questions.

*Required

Name:*

Please give us an overview of your experience teaching college violin students.*

Please list any other teaching experiences that you have had that are relevant to this teaching position.*

Please briefly articulate your pedagogical approach toward teaching the violin.*

Please describe the differences (if any) in your approach to teaching a violinist who is a music major compared to a violinist who is not.*

Please describe your perspective on the value of music instruction generally, and violin instruction specifically, within a B.A. program at a strong liberal arts college.*
